**** PRESS RELEASE ****

ELIZABETH – Senator Raymond Lesniak donated \$750.00 to the Elizabeth Giants Youth Organization (EGYO) and \$750.00 to the organization on behalf of the Elizabeth Police Department. The Senator released the following statement regarding his donation:

“In April, I was the victim of a home invasion. Fortunately, I was not harmed but the incident did leave a lasting impression on my life.

“I have always admired the Elizabeth Police Department for the incredibly important job they perform. My experience as a crime victim personally demonstrated the remarkable efforts of the department and the sincere dedication of its staff. From the moment I reported the crime to the successful apprehension of the perpetrators, the police department worked tirelessly to protect the community and solve the crime.

“To honor the day to day dedication of the Elizabeth Police Department I have made a donation to the Elizabeth Giants Youth Organization.

“EGYO is a non-profit organization that serves over 200 low-to-moderate income children in our city each year. Its mission is to bolster the self-confidence of our city’s youths through the ideals of education, sportsmanship, physical fitness, and moral guidance.

“The EGYO volunteers give our youth options. If children are confident, have goals, and are held accountable by caring adults, they will grow up to be solid citizens who contribute to our community's well being.

“I have supported the Elizabeth Giants Youth Organization in the past for tournaments and special events. My donation today renews our partnership and underscores the importance of these dedicated leaders in our community.”
