Please read through the entire list carefully if you wish to choose a contractor appearing on this list. The order in which the contractors appear on this list cannot be taken as a recommendation by the City or EHIP of one contractor over another. The order in which the contractors appear on this list is changed monthly in order to be fair to the contractors and not to mislead applicants into believing that contractors at the top of the list have better workmanship than those at the bottom.

We hope this list proves helpful. If you have any questions, please contact us at:
