A request for a copy of public records should be submitted on this form which has been adopted by the City Clerk as the Custodian of Records. Some records will be immediately available during normal business hours. Some records will require time to compile and to make the copies requested, but will normally be available during normal business hours and within seven (7) business days. If any document or copy which has been requested is not a public record or cannot be provided within the seven (7) business days, you will be provided with a response indicating that information within seven (7) business days. Some records requests have specific fees or other response times established by statute. There is no fee involved in simply inspecting a document during normal business hours. In general:

- Immediate access is ordinarily available for budgets, bills, vouchers, contracts, including collective negotiation agreements and individual employment contracts and public employee salary and overtime information. Minutes of public meetings will be generally available after the minutes have been approved.
- Records which are not readily available or which will require a search of records will be made available as soon as possible and the applicant will be provided with an interim report within seven (7) business days indicating the time frame required to provide the requested record(s).
- Except as otherwise provided by law or regulation, the fee assessed for the duplication of a printed record per page shall be:

Letter sized paper	\$ 0.05
Legal sized paper	\$ 0.07
Ledger sized paper	\$ 0.13
- Where a request is for a copy in a format other than a photocopy, reasonable efforts will be made to provide the information in the format requested. The cost will be based on the actual cost of producing the format requested.

- Where a legal determination must be made as to whether records are "public records" as provided by law, the request will be reviewed by the City Attorney.

The term "public records" generally includes those records determined to be public in accordance with N.J.S.A. 47:1A-1. The term does not include employee personnel files, some police investigation records (See N.J.S.A. 47:1a-3b), communicable disease files, vital statistics records (without proper identification), public assistance files or other matters in which there is a right of privacy or confidentiality or which is specifically exempted by law. The Applicant hereby acknowledges receipt of a copy of this form with the date on which the document is expected to be available and the estimated cost.
