Elizabeth, NJ - As cold temperatures descend on Union County this winter, low-income residents who need help with their heating bills can dial 2-1-1, a service of United Way of Greater Union County, to learn about energy assistance programs that serve our area. United Way's 2-1-1 referral service is free, confidential and available 24 hours a day in more than 150 languages.

United Way's trained Information & Referral specialists can answer questions such as:

- How do I apply for energy assistance?
- What are the eligibility requirements?

- Do I qualify for other kinds of assistance or community services?
