### **ABOUT THE EVENT**

Trinitas Hospital furthers its commitment to the treatment of those with cancer and other serious illnesses through the dedication of this major new inpatient oncology unit. The new unit will provide quality patient care in 23 private rooms designed for optimal patient comfort and safety. The state-of-the-art Inpatient Oncology Nursing Unit reflects a tasteful and modern décor in New Jersey's newest and most comfortable hospital inpatient facility that will set a new standard in quality healthcare.

Following the Dedication Ceremony, refreshments will be offered to guests in the Board Room, located on the first floor.

**RSVP by Tuesday, August 28, 2007 to (908) 994 - 5138 to confirm your attendance.**
