## **NEW LUXURY CONDOMINIUMS OPENS IN ELIZABETH**

**ELIZABETH, NJ, December 20, 2006**—Mayor Chris Bollwage cut the ribbon on a new 24-unit luxury condominium project. The building located on 351 South Broad Street was developed by M & M Construction and features a host of amenities.

“These new luxury condominiums have brought a whole new level of living to the developing Second Ward neighborhood,” says Mayor Bollwage. “Projects such as these continue to flourish in Elizabeth and contribute to the economic development and well being of our City. It is a testament to the fact that the City of Elizabeth is a great place to live, work, and raise a family. ”

During the past five decades, M & M Construction Company has constructed numerous homes, in various communities throughout New Jersey. Al Mauti Jr., Co-Owner of M & M Construction, and Developer of DeStefano Manor has high expectations for all their projects. DeStefano Manor has exceeded perspective buyers’ dreams with all the additional features. In today’s market, buyers expect quality products such as Anderson Windows, maple and oak cabinets, granite countertops, and hardwood floors. In addition, DeStefano Manor has provided spacious ceramic tile handicap bathrooms and private covered garage parking spaces for owners and their guests. “The full color monitor security in each unit is an added bonus,” says Al Mauti.

The Rosa Agency in Union is handling the Sales of DeStefano Manor. With almost 50% sold Tom Casale of the Rosa Agency reports, “ We are ecstatic at the response buyers have when they view our furnished models.” These condominiums have the same high standards as today’s luxury homes at affordable, easy condo living. DeStefano Manor is conveniently located just 5 blocks from the Elizabeth Train Station, which provides direct access to Manhattan in just 21 minutes.

Additional information about DeStefano Manor is available by calling Tom Casale at 908-289-5200, or visiting [www.Destefanomanor.com](http://www.Destefanomanor.com).
