AN ORDINANCE TO VACATE COAKLEY CIRCLE

WHEREAS, the Division of Engineering has reviewed a request submitted to the City of Elizabeth by Joseph A. Paparo, Esq., of Porzio Bromberg & Newman, P.C., 100 Southgate Parkway, Morristown, NJ 07962 on behalf of his client, JP Management, LLC, for the proposed vacation of Coakley Circle; and

WHEREAS, the request package included a street vacation plan and metes and bounds description dated January 2, 2020, prepared by David P. Aguanno, PLS of Solstice Surveying. The description was subsequently revised February 4, 2020, by David P. Aguanno, PLS of Solstice Surveying; and

WHEREAS, JP Management, LLC, the owner and developer of the abutting property has obtained approvals from the Elizabeth Zoning Board of Adjustment to construct a new multi-family development consisting of 120 units and related improvements at the site. The development will front on Neck Lane and encompass the Coakley Circle right of way. The vacation of Coakley Circle will eliminate access to Coakley Circle Playground. As a result, the owner/developer has agreed to construct a new parking lot and entrance to the playground from Neck Lane as well as other park improvements, now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ELIZABETH:

SECTION 1. – Coakley Circle is vacated as described in the revised metes and bounds description dated February 4, 2020, attached hereto and made a part hereof and the vacation plan on file in the City Clerk’s office subject to the following conditions:

a. Construction by the owner/developer of a new parking lot and entrance to the playground from Neck Lane as well as other park improvements to be developed in coordination with and approval of the Department of Public Works and Department of Recreation subject to all utility easements necessary for this vacation.

b. Compliance with the provisions of N.J.S.A. 40:67-1, expressly reserving and excepting from vacation all rights and privileges then possessed by public utilities, as defined in R.S. 48:2-13, and by any cable television company, as defined in the "Cable Television Act," P.L. 1972, c. 186 (C. 48:5A-1 et seq.), to maintain, repair and replace their existing facilities in, adjacent to, over or under the street, highway, lane, alley, square, place or park, or any part thereof, to be vacated.

SECTION 2. - All ordinances or parts of ordinance inconsistent with the provisions of this ordinance be and the same are hereby repealed.

SECTION 3. - If any portion or clause of this ordinance is declared invalid for any reason whatsoever, same shall not affect the validity or constitutionality of any other part or portion of this ordinance.

SECTION 4. - The effective date of this ordinance shall be twenty (20) days after its final passage by City Council and approval by the Mayor at the time and in the manner provided by law.

This ordinance was adopted on its first reading at the City Council meeting held February 11, 2020.

Annexed to the ordinance was an affidavit from the publisher of the Star Ledger certifying the publication of the ordinance and notice of public hearing thereon in its issue of February 17, 2020.

The ordinance was then adopted on its final passage by the following vote:

AFFIRMATIVE: Cuesta, Torres, Gonzalez, Cedeno, Gallman, Mazza And President pro tem Perkins-Auguste – 7.

NEGATIVE: None.
Councilman Gallman MOVED for a suspension of the rules for the purpose of considering a resolution which did not appear on the agenda, seconded by Councilman Torres.

Which was carried unanimously.

BY CITY COUNCIL AS A WHOLE:

WHEREAS, the City of Elizabeth is desirous of engaging NW Financial Group LLC, 2 Hudson Place, Hoboken, New Jersey 07030 to provide Financial Advisory Services to the City of Elizabeth in connection with the City’s issuance of municipal and general sewer debt obligations and any other financial analysis necessary (collectively, the “Financial Advisory Services”) for the period February 11, 2020 to June 30, 2020; and

WHEREAS, the Chief Financial Officer has recommended that a contract be awarded to NW Financial Group LLC, 2 Hudson Place, Hoboken, New Jersey 07030 for this purpose in an amount not to exceed $40,000.00; and

WHEREAS, the scope of services provided will be in accordance with Schedule 1 attached hereto and made a part hereof; and

WHEREAS, compensation will be in accordance with Schedule 2 attached hereto and made a part hereof; and

WHEREAS, this contract is awarded through a fair and open process in accordance with N.J.S.A. 19:44A-20.5, et seq.; and

WHEREAS, the contract in question is determined to fall within the Open-end Contract Rule 5:30 14-4 as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services; and

WHEREAS, the Chief Financial Officer shall execute the Certificate of Availability of Funds at each time an order is placed, and covering the amount of the order, and said execution is to be made just before this order, and said execution is to be made just before the City incurs a contractual liability on its part; and

WHEREAS, the Local Public Contracts Law (N.J.S.A. 40A:11-1 et seq.) requires that the resolution authorizing the award of contracts for “Professional Services” without competitive bids and the contract itself must be available for public inspection; now, therefore, be it

RESOLVED by the City Council of the City of Elizabeth that a contract be awarded to NW Financial Group LLC, 2 Hudson Place, Hoboken, New Jersey 07030 to provide the services set forth in Schedule 1 and in accordance with the compensation set forth in Schedule 2; and be it

Further Resolved that this contract is awarded without competitive bidding as a “Professional Service” in accordance with N.J.S.A. 40A:11-2(6) of the Local Public Contracts Law because Powell Financial Markets, Inc. is an entity whose practice is authorized and regulated by law and exempted by the provisions of the Local Public Contracts Law, and

Further Resolved that a Notice of this action should be printed once in the Star Ledger.

WHEREAS, there exists a need for Liability and Property Insurance for Police Drones; and

WHEREAS, the Business Administrator has requested authorization for the proper City Officials to approve a Policy of Insurance with Global Aerospace Risk Placement Services, 6625 W. 78TH Street, Minneapolis, MN 55439, (through the agent-of-record, Otterstedt Insurance Agency, 540 Sylvan Avenue, Englewood Cliffs, NJ 07632) for Liability and Property Insurance for the period of March 1, 2020, through March 1, 2021, at a premium of $5,861.00; and

WHEREAS, this recommendation is being made with the full concurrence of the members of the Insurance Fund Commission; and

WHEREAS, the Chief Financial Officer has certified that sufficient funds are available and appropriated for this purpose and Certification No. 20-06229, charging the amount of $5,861.00 to Account No. 0-01-23-210-INS of the Municipal Budget is on file in the Office of the City Clerk; and

WHEREAS, the Local Public Contracts Law (N.J.S.A. 40A:11-1 et seq.) requires that the resolution authorizing the award of contracts for "Extraordinary, Unspecifiable Services" without competitive bids and the contract itself must be available for public inspection; and

WHEREAS, the Chief Financial Officer has certified that this meets the statute and regulations governing the award of said contract; now, therefore, be it

RESOLVED, by City Council of the City of Elizabeth, New Jersey as follows:

1. The Mayor and the City Clerk are hereby authorized and directed to execute an agreement with Global Aerospace Risk Placement Services, 6625 W. 78TH Street, Minneapolis, MN 55439, (through the agent-of-record, Otterstedt Insurance Agency, 540 Sylvan Avenue, Englewood Cliffs, NJ 07632) for Liability and Property Insurance for the period of March 1, 2020, through March 1, 2021, at a premium of $5,861.00.

2. Quotations were solicited for this policy. This recommendation to award the contract is being made because this proposal offers the best price for the needs of the City.

3. Insurance is specialized in nature inasmuch as the companies issuing same are limited in number and must be approved by the State of New Jersey, through the Department of Insurance and Banking in order to qualify to do business within this State. N.J.S.A. 40A:11-5(1)(m) exempts the purchasing of insurance coverage from advertising for bids and bidding, which exception shall be in accordance with the requirements for Extraordinary, Unspecifiable Service.

4. This cannot be described by written specifications because of the special nature of the services as described above.

5. A notice of this action shall be published in The Star Ledger.

WHEREAS, the Purchasing Agent has certified to the Honorable J. Christian Bollwage, Mayor, in accordance with the N.J.A.C. 5:34-9.1, that the purchase of Sig Sauer Handguns Model P227 and magazines, for the Elizabeth Police Department qualifies under the requirements of the local Public Contracts Law Rules and Regulations to be purchased through the proprietary goods and services provision; and

WHEREAS, in accordance with N.J.A.C. 5:34-9.1(a) 1. (i):

Using another brand of weapon would undermine the operational performance of the Police Department as each of City's 350 sworn officers have had extensive training the use of this brand of handgun. The safety of the officers and the security of the citizens depends on the officers having a line of defense in which all officers are proficient; and

WHEREAS, in accordance with N.J.A.C. 5:34-9.1(a) 2. (i):

The Police Department has a substantial investment in this product as they have used this brand of handgun for over 35 years and all officers, currently employed, have received thousands of hours of training using the Sig Sauer platform. The purchase of another brand of handgun would require purchasing new accessories, developing new policy and procedures and all officers would need to be retrained. This would be a lengthy process and would significantly affect the safety and efficiency of the Police Departments daily operations; and

WHEREAS, the handgun has previously been purchased through state contract award, which the company does not currently have due to a filing error; and

WHEREAS, the Business Administrator has advised that the purchase of these materials qualifies under the requirements of the Local Public contracts Law Rules and Regulations to be purchased through the proprietary goods and services provision and concurs with the Purchasing Agent and the Director of the Police Department requesting your Honorable Body adopt a resolution to authorize the Purchasing Agent to initiate a proprietary sealed bid process to purchase same; now, therefore, be it

RESOLVED, that the City Council of the City of Elizabeth authorizes the Purchasing Agent to initiate a proprietary sealed bid process to purchase Sig Sauer Handguns Model P227 and magazines for the Elizabeth Police Department, in accordance with the N.J.A.C. 5:34-9.1, Purchase of Proprietary Goods or Services for the reasons stated hereinabove.

WHEREAS, On Friday, March 1, 2019 the Director of the Department of Public Works received qualification proposals for consulting professional engineering services; and

WHEREAS, having reviewed the qualifications of all respondents, we find the firm of Mott MacDonald, LLC to be qualified to provide the City of Elizabeth with the professional engineering services in connection with the Trenton Avenue Pump Station upgrade facilities plan as per its proposal dated February 3, 2020; and

WHEREAS, the Trenton Avenue Pump Station is located at 522 Trenton Avenue. The station was initially constructed in 1955 and is currently limited by agreement with the Joint Meeting of Essex and Union Counties to a maximum flow of 36 million gallons per day (MGD). The average daily dry weather flow is approximately 16 MGD. The station is part of the City’s combined sewer system and is capable of conveying wet weather flows substantially exceeding the contractual peak flow limit to Joint Meeting. The existing station is estimated to be capable of pumping up to 55 MGD with all pumps running. Given the age and condition of the pumps and overall station, significant equipment upgrades are needed for system reliability and redundancy at the higher flow rates. The station has the capability to convey up to approximately 75 MGD through its existing 48-inch force main discharge to the Joint Meeting trunk sewer system which could be used to mitigate the frequency and magnitude of combined sewer overflows (CSOs). This would require an increase to the current flow limit with Joint Meeting. In addition to the increase in Pump Station conveyance capacity, additional improvements to repair damaged or aged components and modernize operations are also necessary; and

WHEREAS, in order to identify options available and cost impacts of each, we propose to undertake this Facilities Plan Study Phase in advance of proceeding with a formal design and construction. Options related to pumping and conveyance system improvements, building repairs and modifications, screening system improvements and controls and electrical system replacements will be identified in the Study; and

WHEREAS, the scope of work will consist of developing a hydraulic model of the Pump Station, review of options for replacement pump designs, electrical replacement and upgrades, take screening system replacement, building improvements and repairs, development of cost estimates for budgetary purposes, and evaluation of potential permitting impacts; and

WHEREAS, the Director of the Department of Public Works has requested an award of a contract be made to Mott MacDonald (MM), LLC, 111 Wood Avenue South, Iselin, New Jersey 08830-4112 to provide professional engineering services on a time and material basis at a cost not to exceed $40,000.00 plus reimbursables for the Project; and

WHEREAS, the contract is hereby awarded pursuant to a fair and open process in accordance with the provisions of N.J.S.A. 19:44 A-20.5, et seq. and N.J.S.A. 40A:11-5 (a) (i); and

WHEREAS, the Chief Financial Officer has certified that sufficient funds are available an appropriated for this purpose and Certification No. 20-06173, charging the amount of $40,000.00 to Account No. X-08-55-053-034 of the Municipal Budget, is on file in the Office in the City Clerk; now, therefore, be it
RESOLVED, by City Council of the City of Elizabeth as follows:

1. The Mayor, and the Municipal Clerk are hereby authorized to execute a contract with Mott MacDonald, 111 Wood Avenue South, Iselin, New Jersey 07701 Mott MacDonald, 111 Wood Avenue South, Iselin, New Jersey to provide professional engineering services on a time and material basis at a cost not to exceed $40,000.00 plus reimbursables for the Project.

2. This contract is awarded without competitive bidding as a "Professional Service" in accordance with N.J.S.A. 40A:11-2(6) and N.J.S.A. 40A:11-5 (a) (i) of the Local Public Contracts Law because these services require knowledge of an advanced type in a field of learning acquired by a prolonged formal course of specialized instruction and study as distinguished from general academic instruction or apprenticeship and training.

WHEREAS, On Friday, March 1, 2019 the Director of the Department of Public Works received qualification proposals for consulting professional engineering services; and

WHEREAS, having reviewed the qualifications of all respondents, we find the firm of Mott MacDonald, LLC, to be qualified to provide the City of Elizabeth with design, bidding and construction phase engineering services in connection with the Park Avenue Stormwater Control Project as per their proposal dated February 5, 2020; and

WHEREAS, the area of Park Avenue between Coolidge Road and Springfield Road, and adjoining streets experiences periodic localized street flooding during significant wet weather events. This area is serviced by approximately 5,800 linear feet of combined sewer that has an insufficient hydraulic capacity for current drainage conditions. Mott MacDonald previously worked with the City in this area, specifically on Westfield Avenue / Elmora Avenue Sewer Modifications project. This Park Avenue project is the second phase of those improvements: We anticipate constructing similar sewer improvements along Park Avenue consisting of replacement of approximately 5,800 feet of combined sewer in the existing pipe alignment with an increased pipe diameter and slope -to the maximum extent possible for improved hydraulic performance; and

WHEREAS, Roselle Park is hydraulically connected to this sewer and contributes significant wet weather flows. The City has submitted a draft sewer use agreement to Roselle Park which will address cost sharing for this project; and

WHEREAS, the project goal is to significantly reduce flooding in this neighborhood. The scope of work will consist of developing a hydrologic and hydraulic study to evaluate various options, geotechnical and environmental due diligence investigations, topographic and utility survey, close circuit television inspection of the existing sewer, preliminary and final designs, permitting, New Jersey Infrastructure Bank loan coordination, bidding phase and full time construction phase services.

WHEREAS, the Director of the Department of Public Works has requested an award of a contract be made to Mott MacDonald (MM), LLC, 111 Wood Avenue South, Iselin, New Jersey 08830-4112 to provide professional engineering services on a time and material basis at a cost not to exceed $762,200.00 plus reimbursables for the Project; and
