Public Notice

Municipality: City of Elizabeth
June 22, 2020

Public Notice:

PUBLIC NOTICE The City of Elizabeth has received a matching Grant from the New Jersey Office of Natural Resource Restoration for the construction of the Bike, Hike and Roll Throughway Expansion at the Elizabeth Waterfront.

The project generally consists of reconstructing Pine Street from Front Street to its terminus for the purpose of providing public access to the Arthur Kill Waterfront. The work includes a 36-foot-wide roadway, curbing, sidewalks, signage, lighting and stormwater drainage system and outfall as well as a connector trail between the end of Pine Street and the existing Bike, Hike and Roll Throughway including an ornamental entry arch, marine bollards, fencing, landscaping, and lighting. Environmental remediation will be addressed through capping of the Site with the above referenced improvements under the supervision of a Licensed Site Remediation Professional.

All interested parties are invited to comment on the plan (drawings attached) on or before July 8, 2020.
