

Due to the inclement weather forecasted for Monday, February 1, 2021, please be advised that a Winter Weather Advisory section has been created under the News & Announcements section of our website. Updated storm information, along with any City employee-related information, will be posted here.

Please click [HERE](#) to be connected to our Winter Weather Advisory.

In addition, employees may also receive alerts and work-related information via our automated robo-call system.

Continue to stay safe and please use caution when traveling. If an employee feels it is unsafe to travel, personal or vacation time may be used.
