Municipality: City of Elizabeth
March 16, 2021

Public Notice:

PUBLIC NOTICE The City of Elizabeth has received Municipal Aid Grants from the New Jersey Department of Transportation for the construction of the Elizabeth River Trail Phase 5 Extension & Traffic Signal Replacement at Clifton Street & Cole Place near the entrance to the Goethals Bridge.

The Elizabeth River Trail Phase 5 Extension generally consists of a hardscape and landscape project located on Cole Place between Clifton Street and Bayway. The project includes a concrete walking path, bicycle shelter, synthetic turf, drainage, landscaping, tables and benches, site lighting, various site amenities and other miscellaneous related work items. The traffic signal replacement generally consists of the installation of new traffic signal system, concrete sidewalk and curbing associated with ADA compliant curb ramps, drainage modifications, milling, resurfacing, replacement of associated striping, pavement markings, signs, and other miscellaneous related work items.

All interested parties are invited to comment on the plan (drawing attached) on or before April 16, 2021.
