Will the development require conditional use authorization?

Will the project involve a use requiring screening?

Does the lot width exceed 80 feet and will there be a change of use from one Schedule II Category to another?

Will the building construction or reconstruction cover more than 300 square feet?

Will the lot have 5 or more parking stalls and will stalls, aisles or driveways be established, altered or eliminated?

Will the development involve the removal of soil exceeding 1 foot in depth?

Will 5,000 square feet or more of residential open space be provided?

NOTE: A Yes response to one or more of the above questions indicates the need for a site plan review or, a certification from the City Engineer, City Planner and Zoning Administrator that improvements meet the criteria for exemption from site plan hearing requirements.
