RE: All Attorneys Appearing Before the Planning Board and Zoning Board of Adjustment of the City of Elizabeth

This letter is to clarify and reiterate certain requirements of the above-mentioned Boards and subdivisions approvals.

1. All proposed subdivisions, including minor subdivision, shall be prepared, signed and sealed by a Licensed Land Surveyor, also known as a Professional Land Surveyor. See N.J.S.A. 45:8-27, et seq. Any proposed subdivisions submitted which are not prepared by a Licensed Land Surveyor shall be deemed incomplete and returned to the applicant.

2. Some attorneys have been failing to submit the proposed deeds of a minor subdivision to the City Engineer for approval "as to form" and have been failing to record these deeds with the Union County Clerk within the statutory time limit. Although the resolutions of approval concerning minor subdivisions have contained conditions requiring the approval "as to form" of the deeds by the City Engineer and the recording of those deeds with the Union County Clerk within the statutory time limit, some attorneys have been ignoring these requirements.

This letter is to notify you that no construction permit or sewer permit will be issued for any premises unless the following two conditions of subdivision are completed:

(A) The deeds memorializing the subdivision shall be submitted to the City Engineer and specifically approved "as to form" by said City Engineer by his endorsement thereon, before the deeds are recorded with the Union County Clerk. The Chairman and the Secretary of the Planning Board shall also sign the deeds evidencing a minor subdivision, before they are recorded with the Union County Clerk.

A copy of the recorded deed must be submitted to the City Engineer.
(E) Proof that the above-mentioned deeds have been recorded with the Union County Clerk must be submitted to the City Engineer and/or the Construction Official before a sewer permit or construction permit will be issued.

I emphasize that sewer permits and/or construction permits will not be issued unless the appropriate procedures are followed.

If you have any questions concerning this letter, please call me at (908) 820-4009.
